## STANDARDS FOR CADETS

Miller's Military Academy cadets are subject to a higher standard of grooming and personal appearance than regular high school subjects. MMA cadets are privileged to wear a uniform that represents the U.S. Army, its customs and traditions, and the military heritage of our nation. This requires a standard of pride and excellence above the norm.

### **UNIFORM WEAR AND MAINTENANCE**

Cadets will be required to wear them for the entire day and to other activities as directed by the instructors. Cadets will meet uniform standards whether they are standing during a MMA inspection or attending school classes. The clean, tailored uniforms that are issued must be maintained in excellent condition and must be dry-cleaned when requested by the Commandant. An alteration fee will be assessed for uniforms returned due to growth.

**UNIFORM CYCLE:**

<b>Monday:</b>	<b>Class "B" Uniform</b>
<b>Tuesday:</b>	<b>Class "B" Uniform</b>
<b>Wednesday:</b>	<b>ACU Uniform</b>
<b>Thursday:</b>	<b>ACU Uniform</b>
<b>Friday:</b>	<b>ACU Uniform or Class Uniforms</b>

**(Rotated Monthly)**

Caps & ACU uniforms will be worn at all times while out doors and will be removed when entering the building. Cadets are required to wear all uniforms in the proper manner at all times, not just on school property.

**PERSONAL APPEARANCE:** Appearance while in uniform will be evaluated and must conform to a high standard. The following are required:

-Cadets **MUST** keep their hair neat and trimmed off the ears and collar, sideburns, and mustaches trimmed to current ARMY standards, no beards, earring, nose rings, or eyebrow rings allowed in uniform. No faddish hairstyles or ponytails allowed.

### **ACADEMIC ACHIEVEMENT & PARTICIPATION IN UNIT ACTIVITIES**

Cadets will be encouraged to maintain solid academic achievement in all courses. Cadets are encouraged to participate fully in all the extracurricular activities and opportunities that this program offers. Cadets that fail to uphold these standards will not be allowed to participate in extracurricular activities such as Military Ball, Annual Picnic, Field Trips, or any other School wide activity.
